

3B-LS-C-BandVV-XXX-X series antenna

3 inch blade antenna for video/data link

The 3B-LS-C-BandVV-XXX-X is a 3 inch tall blade antenna for video and data link applications. The rugged blade antenna enclosure is designed to survive ground and flight environments.

The antenna includes L, S, and C-Band coverage. The L-Band and S-Band are connected to the J12 port, and C-Band is connected to the J3 port. The exact frequency range of each band is customizable.

3B-LS-C-BandVV-XXX-X
